

PROGRESS UPDATE | SPRINT 5 | MAY 26 – 31

SPRINT 5: 5 tasks carried over from SPRINT 4, 5 new tasks — 9/10 completed."

$$(9/10) * 100 = 90\%$$

PROJECT PERCENTAGE COMPLETION (22/31) * 100 = 70.96%

SPRINT 5

Focused on enhancing core banking functionalities and ensuring secure and efficient transaction processing.

What went well: We managed to complete almost all the tasks, including the carried task from Sprint 4.

What could be improved: The UI/UX of the account login and register, and the transaction history is buggy.

What needs to be done: Implement the external banking and the SMS.
